

**THE ASSOCIATION FOR ACADEMIC SURGERY
ANNUAL MEETING HISTORY**

DATE / HOST	PRESIDENT'S WORKSHOP	COMMITTEE ON EDUCATION PANEL	COMMITTEE ON ISSUES PANEL	PRESIDENTIAL ADDRESS	FOUNDER'S LECTURER	PRESIDENT'S INVITED GUEST SPEAKER
February 4-6, 2014 Manchester Grand Hyatt, San Diego, CA		Surgery Boot Camp: Preparing for Our Future	Robotic Surgery in General Surgery: The Future or Hype?	Real World vs. Ivory Tower: The Challenge for Academic Surgery Lillian S. Kao, MD, MS	A Surgeon's View of Quality Improvement E. Patchen Dellinger, MD	
February 5-7, 2013 Roosevelt New Orleans, New Orleans, LA		Integrated Subspecialty Programs: Way of the Future of Recipe for Disaster	AAS/SUS Mentorship Program	A Beacon of Hope Melina R. Kibbe, MD, RVT	Fogarty Institute for Innovation Thomas Fogarty, MD	
February 14-16, 2012 Encore Hotel, Las Vegas, NV		80 Hour Work Week: "Where Are We Now and Where Are We Going?"	Maintaining and Expanding Your Academic Surgical Career	Toward Self-actualization in Academic Surgery Scott A. LeMaire, MD	Research reflections: 50 years on... Norman M. Rich, MD	
February 1-3, 2011 Hyatt Regency, Huntington Beach, CA	Unconscious Bias in Academic Surgery	Becoming a Better Surgical Educator	Health Care Reform- Anticipated Impacts on Academic Surgery	Diversification of the Academic Portfolio Daniel Albo, MD, PhD	Re-engineering Health Care David Berger, MD	
February 3-5, 2010 San Antonio Marriott Rivercenter, San Antonio, TX	Academic Surgery, Inc.	Changes and Solutions in Resident Education in 2010	Discussing Conflicts with Conflicts of Interest	One World: The International Society of Academic Surgery Kevin Staveley-O'Carroll, MD, PhD	The Transformation of American Medicine Lucian L. Leape, MD	
February 4-6, 2009 Sanibel Harbour Resort & Spa, Fort Myers, FL	The Glass Ceiling: Does it Still Exist for Women and Minorities in Surgery	Surgical Education in the Internet Era	Partnering with Industry to Move Discoveries from the Bench to the Bedside	Episode VI: The Return of the Surgeon Herbert Chen, MD	Cancer as an Organ System: The Tumor Microenvironment John E. Niederhuber, MD	

February 13-15, 2008 Hyatt Regency Huntington Beach Resort & Spa, Huntington Beach, CA		The Changing Face of Surgical Education: Simulation as the New Paradigm	Debt Burden Among Academic Surgeons: The Problem and Some Possible Solutions	Mind the Gap: Workforce Disparities and Global Health Fiemu Nwariaku, MD	Will Personal Genomes Impact Medical Care? Richard K. Gibbs, MD	
February 6-9, 2007 Convention Center Phoenix, AZ		New Initiatives in Graduate and Continuing Education	Surgical Innovation, Investigation and the IRB	The Association for Academic Surgery and the Butterfly Effect Siobhan A. Corbett, MD	William Stewart Halsted: Our Surgical Heritage John L. Cameron, MD	
February 7-11, 2006 Manchester Grand Hyatt, San Diego, CA		Training the Surgeons of Tomorrow: The Revolution in Surgical Education		Loud and Clear Now- Advocacy and Academic Surgery Matthias G. Stelzner, MD	Nitric Oxide as a Signaling Molecule in the Cardiovascular System Louis J. Ignarro, MD	
November 11-13, 2004 Baylor College of Medicine – Michael E. DeBakey Department of Surgery Houston, TX	The End of the Beginning	If it Ain't Broke, Fix it: The New Surgical Education Curriculum	Unifying the Voice of Academic Surgery	Uniting the Voices for Academic Surgery: The Role of the Young Voice J. Perren Cobb, MD	Developments in Cardiovascular Surgery at Baylor College of Medicine Michael E. DeBakey, MD, PhD	Academic Surgery: Dynamics in a Complex System Timothy G. Buchman, MD, PhD
November 13-15, 2003 University of California-Davis Medical Center Sacramento, CA	Challenges to Training Academic Surgeons in the Era of Surgical Tracking and the 80-hour Work Week	Mentoring the Next Generation	Initiating a Career in Academic Surgery, Maintaining a Career in Academics, Maintaining a Balanced Lifestyle	Mentorship, Diversity and Academic Surgery Henri R. Ford, MD	Constructing and Deconstructing an Epithelium: From Single Molecule to Host-Pathogen Interactions W. James Nelson, PhD	Friendly Fire: Pursuing Patient Safety in an Academic Medical Center Richard Simmons, MD

<p>November 7-9, 2002 Brigham and Women's Hospital, Harvard Medical School Boston, Massachusetts</p>	<p><i>(in lieu of the President's Workshop, there was a second invited guest speaker)</i> Surgical Science and the Future Courtney M. Townsend, Jr., MD</p>	<p>Transitional Research in Surgical Education</p>	<p>Young Surgeons Workshop, Resident Work Hours and Leadership Training</p>	<p>Excellence in Academic Surgery Tien C. Ko, MD</p>	<p>Academic Surgery: Is the Pleasure Worth the Pain? John A. Mannick, MD</p>	<p>Excellence in Clinical Practice Richard A. Prinz, MD</p>
<p>November 15-17, 2001 Medical College of Wisconsin Milwaukee, Wisconsin</p>	<p>Challenges For Surgical Leaders</p>	<p>The Changing Face of Surgical Education</p>	<p>Promoting Our Vision: Advocacy and the Future of Academic Surgery</p>	<p>From Led to Leader David H. Berger, MD</p>	<p>Allograft Acceptance & Tolerance Thomas E. Starzl, MD, PhD</p>	<p>The Leadership Principles of Abraham Lincoln F. Charles Brunickardi, MD</p>
<p>November 2-4, 2000 University of South Florida Tampa, Florida</p>	<p>Perspectives on the Restructuring of NIH Study Sections</p>	<p>The Road Ahead</p>	<p>Maturation in Academic Surgery: From Assistant to Associate and Beyond</p>	<p>The Education of an Academic Surgeon David I. Sobel, MD</p>	<p>The Trouble with Fat Michael S. Brown, MD</p>	<p>Academic Surgery Under Stress: Working Toward a Solution Laurence Y. Cheung, MD</p>
<p>November 18-20, 1999 MCP/Hahnemann School of Medicine Philadelphia, Pennsylvania</p>	<p>Masters of Surgery and Mentoring</p>	<p>The Challenges For The Surgeon-Scientist</p>	<p>Maturing as a Mentor: From Managing Minions to Molding Masters</p>	<p>An Attitude of Gratitude V. Suzanne Klimberg, MD</p>	<p>Cellular Signaling with Nitric Oxide and Cyclic GMP Ferid Murad, MD, PhD</p>	<p>AAS@Leadership.you Wiley W. Souba, MD</p>
<p>November 19-21, 1998 University of Washington Medical Center Seattle, Washington</p>	<p>Past Presidents-The Wonder Years</p>	<p>Navigating in Troubled Waters: Successful Educational Program Development in 1998</p>	<p>How to Utilize the Environment and the VA, University and Affiliated Medical Centers to Build Successful Academic Surgical Careers Today and in the 21st Century</p>	<p>Academic Program Development F. Charles Brunickardi, MD</p>	<p>Genetic Analysis of Breast and Ovarian Cancer Mary Claire King, MD</p>	<p>Ethics for Surgeons Dana K. Andersen, MD</p>

<p>November 6-8, 1997 University of Texas Southwestern Medical Center Dallas, Texas</p>	<p>The Changing Health Care Environment</p>	<p>Restructuring Surgical Graduate Medical Education: Is It Time?</p>	<p>Participation of Life Science Faculty in Research Relationships with Industry: The Impact of Corporate Funding on the Research Agenda and Accomplishments of Faculty</p>	<p>Death of Academic Surgery? Robert L. Conter, MD</p>	<p>How to Train a Surgical Scientist James C. Thompson, MD</p>	<p>A Brave New World: A Chairman's Perspective Joel J. Roslyn, MD</p>
<p>November 13-16, 1996 Northwestern University Medical School Chicago, Illinois</p>	<p>Introduction to Outcomes Research for Surgeons</p>	<p>Challenges in Surgical Education: Strategies for Success</p>	<p>Bioethical Considerations in Human Xenotransplantation</p>	<p>Patients David W. McFadden, MD</p>	<p>What is Tumor Dormancy? Can It Be Prolonged Therapeutically? M. Judah Folkman, MD</p>	<p>The Outlook for Academic Surgery George Zuidema, MD</p>
<p>November 8-11, 1995 University of Michigan Ann Arbor, Michigan</p>	<p>Redefining Academic Surgery for the 21st Century</p>	<p>The Future of Surgical Education</p>	<p>The Squeeze in Biomedical Research Funding: Alternative Sources of Support</p>	<p>Projections David L. Dunn, MD, PhD</p>	<p>The Human Genome Project and the Future of Medicine Francis Collins, MD</p>	<p>A Prior Definition of Academic Surgery Richard Simmons, MD</p>
<p>November 16-19, 1994 University of New Mexico Albuquerque, New Mexico</p>	<p>Nurturing Young Surgeons: Is it an Art or is it a Blueprint?</p>	<p>The Necessity, Practicality and Feasibility of Modern Education and Evaluation Methods for Residency Training</p>	<p>The Managed Academic Surgeon: Competitive or Compromised?</p>	<p>Sand, Sandstorms and Sandcastles Wiley W. Souba, MD, ScD</p>	<p>Cell Signaling: From Simplicity of Complexity Howard Rasmussen, MD</p>	<p>The Responsibilities of a Learned Profession Samuel O. Thier MD</p>
<p>November 10-13, 1993 Hershey Medical Center Hershey, Pennsylvania</p>	<p>Faculty Development: Planning an Academic Career</p>	<p>Performance Based Testing: Necessity or Nuisance?</p>	<p>Survival of Academic Surgery in Healthcare Reform</p>	<p>Power Karen S. Guice, MD</p>	<p>Prospects for Vaccine Against HIV Dani Bolognesi, PhD</p>	<p>Hillary Rodham Clinton (Invited)</p>

<p>November 18-21, 1992 McGill University Montreal, Quebec, Canada</p>	<p>Educational Challenges for the 1990's</p>	<p>Problem Based Learning</p>	<p>Death, Dying and Doctors: Ethical Dilemmas in Surgical Practice</p>	<p>The Realities of Idealism Joel J. Roslyn, MD</p>	<p>The Biology of Human Cancer Metastases Isaiah J. Fidler, DVM, PhD</p>	<p>Science, Scientists and Responsibilities Kenneth Shine, MD</p>
<p>November 20-23, 1991 University of Colorado Health Sciences Center Colorado Springs, Colorado</p>	<p>Time Management</p>	<p>Resident Roundup: How Should We Select General Surgery Residents?</p>	<p>Clinical Versus Laboratory Responsibilities in the Growth of the Academic Surgeon: A Tug of War Revisited</p>	<p>The Association for Academic Surgery: What a Concept! R. Neal Garrison, MD</p>	<p>Endothelium and Cardiovascular Disease Paul Vanhoutte, MD, PhD</p>	<p>Academic Surgery and Practice Plan: A Delicate Balance in Changing Times R. Hiram C. Polk, Jr., MD</p>
<p>November 14-17, 1990 The University of Texas Health Science Center Houston, Texas</p>	<p>Application of Molecular Biology in Surgical Research</p>	<p>Operating Room Supervision of Residents, or is there a Phantom in the Operating Room?</p>	<p>Conflict of Interest in Academic Surgery-Apparent or Real?</p>	<p>Taking the Lead: Challenges of Supply and Demand in Academic Surgery Dana K. Andersen, MD</p>	<p>(State of the Art Lecture) Role of Oxygen Radicals and Leukocytes in Ischemia-Reperfusion Induced Microvascular Dysfunction Neil Granger, PhD</p>	<p>The Surgeon's Muse Thomas Krizek, MD</p>
<p>November 15-18, 1989 University of Louisville School of Medicine Louisville, Kentucky</p>	<p>How to Design and Analyze Experiments- Useful Statistics for Surgeons</p>	<p>The Problem Resident: Diagnosis and Prognosis</p>	<p>Prospective Changes in Physician Reimbursement- Can Academic Surgery Survive?</p>	<p>Surgical Research and other Oxymorons Richard Bell, Jr., MD</p>	<p>(State of the Art Lecture) Polarity and the Pancreas: Problems and Perspectives James Jamieson, MD, PhD</p>	<p>Surgeons and Their Communities Josef E. Fischer, MD</p>
<p>November 16-19, 1988 University of Utah School of Medicine Salt Lake City, Utah</p>	<p>A Scientific Approach to Surgical Reasoning</p>	<p>Specialty Exposure in General Surgery Residency: Practice Needs, Board Decrees and Turf Battles</p>	<p>Residents Hours- Sleep Deprivation and Clinical Performance</p>	<p>The Academic Surgeon in an Era of Socioeconomic and Litigious Restraint Kirby I. Bland, MD</p>		

November 1-4, 1987 University of Florida College of Medicine Orlando, Florida	Teaching Surgical Skills	The Effect of Fellowships on General Surgery Residents	Great Expectations: Stress and the Medical Family	Extrinsic Factors Affecting Surgical Training Richard E. Ward, MD		
November 5-8, 1986 Uniformed Services of the Health Sciences Washington, D.C.	Literature Search and Bibliographic Information The Grateful Med		The Surgical Chairman: Owner, Manager, Player or Fan?	Surgical Research-Our Perspective Michael J. Zinner, MD		
November 10-13, 1985 University of Cincinnati Medical Center Cincinnati, Ohio		The Role of Laboratory Training During Surgical Residency	The Role of Clinical Teaching Versus Laboratory Investigation in the Advancement and Development of Academic Surgeons	The Academic Surgeon as a Clinical Investigator Charles M. Balch, MD		
October 31- November 3, 1984 University of Texas Health Sciences Center San Antonio, Texas			The Impact of Prospective Payment and DRG's on the Academic Surgeon	The Frankenstein Principle James W. Holcroft, MD		
November 2-5, 1983 State University of NY Upstate Medical Center Syracuse, New York		Stress Related Behavioral Disorders in Surgical Residency	Funding of Surgical Research: The Roles of Government	Surgery as an Applied Physiology Alden H. Harken, MD		
November 7-10, 1982 University of California School of Medicine San Diego, California			Attitudes Towards Research and Publication	The Association for Academic Surgery: Its Past, Present and Future Laurence Y. Cheung, MD		

<p>November 8-11, 1981 The University of Chicago The Pritzker School of Medicine Chicago, Illinois</p>			Is the Academic Surgeon an Endangered Species?	Why Academic Surgery? Robert W. Hobson, II, MD		
<p>November 5-8, 1980 University of Alabama Medical School Birmingham, Alabama</p>		Management of the ICU—Who Should be on Top?	The Impact of Emergency Medicine Specialists on Surgical Care	Academic Surgery: Past and Prologue Creighton B. Wright, MD		
<p>November 11-14, 1979 CMDNJ-New Jersey Medical School Great Gorge, New Jersey</p>		Resident Evaluation – Is it, Can it be, Should it be Objective	The Role of the VA in Surgical Training Program	The Role of the Young Academic Surgeon in American Surgery Edward M. Copeland, MD		
<p>November 13-15, 1978 Case Western Reserve University Cleveland, Ohio</p>			The Impact of Medical Malpractice upon the Academic Surgeon	Bakke, Biko and the Hippocratic Oath Bernard M. Jaffe, MD		
<p>November 3-5, 1977 University of Washington Seattle, Washington</p>				The Association: A Look Back A Look Ahead Wallace P. Ritchie, Jr., MD		
<p>November 3-5, 1976 University of Miami Key Biscayne, Florida</p>			The Federal Role in Medical Education	House Staff Unions-Good or Bad Gerald S. Moss, MD		
<p>November 13-15, 1975 University of Minnesota Minneapolis, Minnesota</p>			Academic Dilemma: Who Has Control of the Education Process?	Unity of Surgery Hiram C. Polk, Jr., MD		

November 7-9, 1974 University of California at Los Angeles Los Angeles, California			Private Practice Income: Now You See It, Now You Don't	Youth Thomas L. Marchioro, MD		
November 1-3, 1973 University of Rochester Rochester, New York			If All Patients Were Private	Paul A. Ebert, MD
